## PLEASE NOTE:

- MUSIC AND CRITIQUE SHEETS – you should have received a copy of your music for the judges AND the critique sheet **at your last lesson** since I won't be there to give them to you when you play.
- You should arrive early – you should have access to practice rooms on the lower level. If you do arrive early, **CHECK IN** with the room monitor **before** warming up.
- When you are done playing and after you have received your music, you should leave. I will pick up the comments later.

From downtown Fort Worth, take 35W South to Seminary Drive and turn right. When you reach the front gate of the campus, turn left at the light. Cowden Hall is the first building to the left of the entrance. It has a large dome at the top of the building and there are lots of steps leading to the Atrium area. If you do not wish to use the stairs, you may go to the lower level by going down the stairs to the left of the large stairway and go through those doors which lead you to an elevator you can use.
